Please ORDER on the sheet printed next page. Time to order is NOW, plenty early, to avoid any possible shortages. These fair terms apply:

### MONEY-BACK TERMS

In effect since 1899. Hoffman Seeds must be satisfactory to you on arrival. You be the judge! If they aren't, return them promptly—and your money will be refunded, also any freight you've paid. Time for purity and germination tests will be granted, should you desire.

# ASSURANCE OF QUALITY

Every care is exercised to assure you seed of good quality. All seeds sold are on this basis, as approved by the American Seed-Trade Association for its members. "A. H. Hoffman, Inc., warrants to the extent of the purchase price, that seeds sold are as described on the container within recognized tolerances. Seller gives no other or further warranty, express or implied." If seeds are not accepted on these terms, they should be returned at once. Hoffman Seeds will please you and pay you!

# FREIGHT PAID, WHEN-

seed shipments weigh 100 pounds or more—providing your railroad freight station is in either: Pennsylvania, Maryland, Ohio, Massachusetts, New Jersey, New York, Delaware, Rhode Island, West Virginia, Virginia or Connecticut. (This does NOT apply to Seed Potatoes, which are shipped freight charges collect.)

#### SHIPMENT BY TRUCK

Prompt direct service from Landisville is now given by some commercial trucklines... to many points. Maybe to a town near you. Enclosed circular explains. Hoffman pays the trucking-charge to Receiving-Points named, on Seed-shipments weighing 100 pounds or more. But not on Potatoes, which are shipped 'charges collect.'

### BAGS ARE FREE

When you make up your Hoffman Seed order, you don't have to figure anything "extra" for bags needed to ship seeds.

#### MAIL COST IS EXTRA

Hoffman does NOT pay the cost of mailing seed (except on items quoted "Postpaid" on Price List). Consult mailman for rates.

# **EXPRESS . . . TOO COSTLY**

and charges NOT paid by Hoffman. Shipping seed by express costs entirely too much, unless it weighs but a few pounds. If you demand express shipment, we'll mark charges COLLECT at your station. And if 100 pounds or over, allow you the amount we would have prepaid as "freight" charges.

## HOW TO PAY

Most folks send payment (check or money order) right along with their seed order. Some prefer to have their seed shipped by railroad freight C.O.D., paying the freight agent when shipment arrives. This plan can be used ONLY if there IS AN AGENT at your station.
